

RALLY AGAINST

THE WARS

AGAINST
WORKING
PEOPLE

AT HOME

AND

ABROAD

BRING THE
TROOPS
HOME NOW!

THEY are the government, corporate, and financial powers that wage war, ravage the environment and the economy and trample on our democratic rights and liberties.

WE are the vast majority of humanity who want peace, a healthy planet and a society that prioritizes human needs, democracy and civil liberties for all.

WE DEMAND Bring U.S. Troops, Mercenaries and War Contractors Home Now: Iraq, Afghanistan, and Pakistan! End the sanctions and stop the threats of war against the people

of Iran, North Korea and Yemen. No to war and plunder of the people of Latin America, the Caribbean and Africa! End U.S. Aid to Israel! End U.S. Support to the Israeli Occupation of Palestine and the Siege of Gaza! End support of dictators in North Africa!

WE DEMAND an end to FBI raids on antiwar, social justice, and international solidarity activists, an end to the racist persecution and prosecutions that ravage Muslim communities, an end to police terror in Black and Latino communities, full rights and legality for immigrants and an end to all

efforts to repress and punish Wikileaks and its contributors and founders.

WE DEMAND the immediate end to torture, rendition, secret trials, drone bombings and death squads.

WE DEMAND trillions for jobs, education, social services, an end to all foreclosures, quality single-payer healthcare for all, a massive conversion to sustainable and planet-saving energy systems and public transportation and reparations to the victims of U.S. terror at home and abroad.
